KEY FEATURES

- Adjustable silicone nose pads provide a customizable fit;
- Fastener free hinge design and high tensile steel construction create incredible durability;
- Gently curved temples provide necessary retention to keep eyewear in place;
- One piece front construction eliminates all welds, screws and other potential points of failure;
- Soft silicone wrapped temples grip lightly to ensure proper location of the optics without slippage;
- Flexible temples conform and ergonomically fit a wide range of head and face shapes;
- Lightweight construction and proper weight balance guarantee long wearing comfort without pressure points or fatigue;
